

See What Celebrities & Physicians Are Saying About Viviscal™ PRO

Molly Sims
Model, Actress, Author, 20+ year Viviscal User

“When my hair looks good, I feel good. Viviscal saved my hair and made me love it again.”

Dr. Glynis Ablon
Board-Certified Dermatologist & Hair Expert

“I highly recommend Viviscal Supplements to patients in my practice who are suffering from specific hair-related issues or are simply looking for healthier hair.”

Dr. Craig L. Ziering
Double Board-Certified Celebrity Hair Restoration Surgeon

“When patients ask me what they can do for hair loss, the first thing that I recommend is Viviscal. It's the only supplement I recommend not only because it's backed by research and clinical trials, but because I've witnessed the results with my own eyes.”

Viviscal PRO Thin to Thick Hair Care Range

FREQUENTLY ASKED QUESTIONS

Q: Are Viviscal PRO Supplements suitable for men and women?

A: Yes. Both men and women may use Viviscal PRO.

Q: Where can I find Viviscal PRO?

A: Viviscal PRO is available only at doctors' offices, salons and spas. To find a Viviscal PRO reseller near you visit ViviscalProfessional.com/retail-locator

Q: Can anyone take Viviscal PRO Supplements?

A: Viviscal PRO is not recommended for users who are allergic to fish or seafood, women who are pregnant or nursing, or any person under the age of 18.

Q: What's the difference between Viviscal PRO and the Viviscal supplement sold at my local drugstore?

A: A daily dose of Viviscal PRO Supplements contains 50 mg more of the proprietary marine complex AminoMar™ compared to a daily dose of standard Viviscal supplement. Viviscal PRO also contains powerful amino acids, vitamins, minerals and other nutrients found only in PRO, which nourish thicker, fuller hair growth[†] from within.

Viviscal PRO Ingredients

AMINOMAR™ MARINE COMPLEX //

The ground-breaking proprietary marine complex found exclusively in Viviscal supplements. AminoMar is derived from marine protein molecules and has been proven to nourish thin hair from within.

APPLE EXTRACT POWDER //

Procyanidin B2, an essential ingredient, that has been shown to increase hair density and diameter.

BIOTIN //

A vital ingredient for healthy hair growth. It helps the body metabolize carbohydrates, fats, and amino acids, which are the building blocks of protein, and thus essential in the formation of the hair structure.

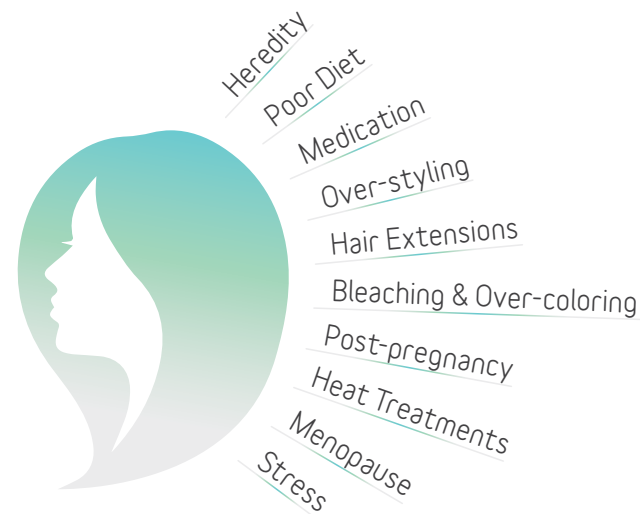

L-CYSTINE and L-METHIONINE //

Essential amino acids in the formation of hair and skin, offering a positive effect on hair growth.

VITAMIN C //

Protects hair and skin from damaging free radicals.

What Affects Healthy Hair Growth?

How Does Viviscal PRO Work?

Viviscal PRO supplements nourish hair from within in four stages. Users may see results in **as little as three months**, depending on each individual's hair growth cycle.

VIVISCAL PRO WORKS IN 4 STAGES

STAGE 1 //

Hair follicles are nourished through the consistent intake of AminoMar™ marine complex and other nutrients in each tablet

STAGE 2 //

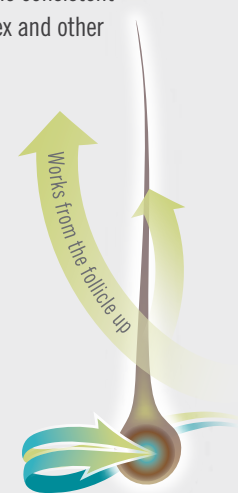

Thin and wispy hair is strengthened through increased nourishment

STAGE 3 //

Breakage and thinning continue to decline, encouraging existing hair growth

STAGE 4 //

Hair appears stronger, healthier, and more vibrant as nutrients are thoroughly replenished

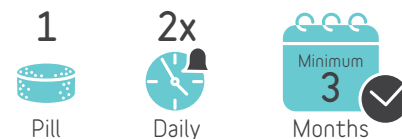

See the Proof

With more than 25 years of research and expertise, the Viviscal PRO team understands the science of healthy hair growth. The Viviscal supplement formula has been proven to promote existing hair growth in 10 published clinical trials to date, making it one of the most clinically researched hair supplements in the world.

Viviscal PRO Recommended Usage

Viviscal PRO supplements are easy to take. Take one tablet twice a day, once in the morning and once at night, with food and water. While you may start seeing thicker hair in as little as three months, experts suggest taking the recommended dosage for six months to see best results.
